DESIGN B&B

INTRODUCTION

We're so excited that you're interested in the 2020 Good Egg Grant. We believe that strong strategy, smart storytelling, and surprisingly obvious design solutions unlock organizational and business growth. This can be particularly true for nonprofit institutions, for whom the need to tell a meaningful story, that will reach the right audience, and move them to action, is all the more crucial.

We have seen how the cost of design, and the need to make considered decisions about how to use limited resources, can put the benefits of major strategy and design efforts out of reach for nonprofits.

In 2020, we will formalize and strengthen our commitment to making quality, strategic design accessible to smaller and younger nonprofits by partnering with a single institution for one full year. With this approach we will be able to work closely with grantees to deliver thoughtful and thorough design solutions, as well as the tools, training, and strategies that will enable grantees to own and evolve the work into the future.

The Good Egg Grant was inspired by Firebelly Design's Grant for Good. Big thanks to Firebelly for their work, inspiration, and advice.

ELIGIBILITY

All Good Egg Grant recipients must meet the following criteria:

- Nonprofit, tax-exempt 501(c)(3), U.S. organizations or a fiscal agent with such status; units of state or local government; or federally-recognized tribal communities or tribes may apply
- The organization must exist within 50 miles of Chicago
- Overall annual budgets must be between \$200–750k
- While Design B&B's services are free of charge, you should expect to cover material costs (i.e. printing collateral pieces). Design B&B will work with you to keep material costs manageable, but we recommend you reserve at least \$10,000 for these expenses.
- Your organization should be prepared to meet with Design B&B, in person, at least once a month for the duration of the grant year, and will be expected to designate specific staff who will oversee the project for its full duration.

Please apply to the grant only if you meet these criteria.

Your completed application is due by **20 December, 2019**. A recipient will be selected and notified by **10 January, 2020**.

Please return your application to the addresses at right. Applications will be accepted by email or regular mail.

AWARD INFORMATION

Design B&B will donate one year of time for brand strategy and identity, print collateral, and web & experience design. Design B&B's core competency is brand positioning and identity development.

While final deliverables may shift and evolve over the course of the year, Design B&B and the grantee will agree upon scope, must-have, and stretch deliverables at the beginning of the grant year. Changes to scope must be agreed to by both parties, and Design B&B has the final say on the limits of its donation. The grant will be awarded in January 2020 and last through December 2020. Only one award will be given per year.

Outside service expenses and material costs, including but not limited to advertising, printing, furniture, and web hosting, or complex web development are the responsibility of the organization and not included in this grant. We recommend the grant recipient reserve at least \$10,000 for these expenses.

The grant recipient will have full usage rights for all work completed. However, Design B&B will retain the right to share the work for self-promotional purposes, including sharing work on the web, social media, and in capabilities presentations.
