introduction

We're so excited that you're interested in the 2022 Good Egg Grant. We believe that strong strategy, smart storytelling, and surprisingly obvious design solutions unlock organizational and business growth. This can be particularly true for nonprofit institutions, for whom the need to tell a meaningful story that will reach the right audience and move them to action is all the more crucial.

We have seen how the cost of design and the need to make considered decisions about how to use limited resources can put the benefits of major strategy and design efforts out of reach for nonprofits.

We recognize the many difficulties and changes experienced throughout the past two years in particular, and stand united in the call for great and necessary change within our country and communities. We are committed to making quality, strategic design accessible to smaller and younger nonprofits, whose work is now more necessary than ever.

By partnering with a single institution for one full year, we are able to work closely with grantees to deliver thoughtful and thorough design solutions, as well as the tools, training, and strategies that will enable grantees to own and evolve the work into the future.

The Good Egg Grant was inspired by Firebelly Design's Grant for Good. Big thanks to Firebelly for their work, inspiration, and advice.

award information

Design B&B will donate one year of time for brand strategy and identity, print collateral, and web & experience design. Design B&B's core competency is brand positioning and identity development.

While final deliverables may shift and evolve over the course of the year, Design B&B and the grantee will agree upon scope, must-have, and stretch deliverables at the beginning of the grant year. Changes to scope must be agreed to by both parties, and Design B&B has the final say on the limits of its donation. The grant will be awarded in January 2022 and last through December 2022. Only one award will be given per year.

Outside service expenses and material costs, including but not limited to advertising, printing, furniture, and web hosting, or complex web development are the responsibility of the organization and not included in this grant. We recommend the grant recipient reserve at least \$10,000 for these expenses.

The grant recipient will have full usage rights for all work completed. However, Design B&B will retain the right to share the work for self-promotional purposes, including sharing work on the web, social media, and in capabilities presentations.
